There are 14 video clips and 15 hazards, so on one of the clips there will be 2 hazards. The earlier you spot the hazard the more you score. Click the screen/mouse when you see the hazard. See the examples below. You will need to score 44/75 to pass this part of the test.

Make sure to review every clip so you understand how the clips are scored.

REPLAY

A car is entering the rail underpass well ahead of you, however watch out for traffic that is hidden further back by the bend in the road.
